Description

EASY CLEAN is a high power foamy-gel cleaner that clings to baseboards to provide easy removal of soil, wax, and copolymer floor finishes. The special high-power foamy-gel sizzles, dissolves, and breaks the bond of soil, grime and wax floor finishes. This unique formula provides increased cleaning action and reduced chemical fumes. Special nozzle sprays upside-down so you can spray while walking along the edges of baseboards.

Applications

- Baseboards
- Edges
- Floors
- Steps
- Corners
- Floor tiles around urinals

Directions

Shake well before using. Use in upside down position only. Spray, holding can approximately 6 to 10 inches from baseboard or surface to be cleaned. Apply in a thin, even coating that covers the soil and wax. Allow product to remain on surface for 3 to 5 minutes. Wipe away residue with wet sponge. For stubborn films, rub the area with a wet scrub pad and then sponge away residue.

Note: *May dull some painted surfaces if allowed to set. It is best to quickly remove any overspray.*
