Description

ODOR BLAST is the quick and convenient way to rid a room of foul odors caused from fire, smoke, animal waste, mildew and kitchen odors. This total release fogger blasts the room with a fresh, clean scent while chemically neutralizing unpleasant odors. The two-way valve can also be lightly depressed for short bursts of spray.

Applications

- Hospitals
- Restrooms
- Nursing homes
- Kennels
- Campers
- Animal hospitals
- Locker rooms
- Restaurants

Directions

Close all windows and shut down air-conditioning or heating unit. Place can on raised surface near middle of room. Spread paper or cloth directly below can for protection. To lock valve into open position for total discharge, press valve button all the way down, locking the catch. Then place fogger down and immediately leave the room. Do not disturb area for at least 2 hours. Ventilate room for 30 minutes before re-entering.

Note: The valve can be operated to give short bursts of spray by lightly depressing valve and pointing can to area to be sprayed.
